 - o Transport, handling and storage of products, the activities, work or services
- The bidder (including its employees, workforce, sub-service providers and representatives) shall have the professional and technical expertise, the competencies and skills, appropriate equipment, tools, resources, facilities, licences and permits to perform its obligations in terms of the scope of work and shall comply with all safety requirements and the requirements for the protection of life, health and environment.
- The bidder must comply with SANSA site specific OHSE rules.

C. EVALUATION CRITERIA

SANSA promotes the concept of “best value” in the award of contracts, as opposed to merely looking for the cheapest price, which does not necessarily provide the best value. Best value incorporates the expertise, experience and technical proposal of the organisation and individuals who will be providing the service and the organisational capacity supporting the project team.

SANSA is committed to achieving Government's transformation objectives in terms of the Preferential Procurement Policy Framework Act.

The value of this bid is estimated not to exceed R1 million (all applicable taxes included) and therefore the **80/20** system shall be applicable.

Please Note: the above amount (R1 million) is not the budgeted amount for this project, but it is the Treasury threshold for written price quotations.

The procedure for the evaluation of responsive tenders is **Price** and **Preference** method.

Bids will be evaluated in terms of the 80/20 preference points systems, where the 80 points will be used for price only and the 20 points will be awarded to a bidder for attaining the specific goals in accordance with the Table below.

1. Preference

Specific goals for this RFQ and number of points are indicated as per the table 1 below.

Proof of the specific goals below must be attached and submitted with the bid document in order to qualify for the preference points (specific goals).
