C. EVALUATION CRITERIA

SANSAS promotes the concept of "best value" in the award of contracts, as opposed to merely looking for the cheapest price, which does not necessarily provide the best value. Best value incorporates the expertise, experience and technical proposal of the organisation and individuals who will be providing the service and the organisational capacity supporting the project team.

SANSAS is committed to achieving Government's transformation objectives in terms of the Preferential Procurement Policy Framework Act.

The value of this bid is estimated not to exceed R50 million (all applicable taxes included) and therefore the **80/20** system shall be applicable.

Please Note: the above amount (R50 million) is not the budgeted amount for this project, but it is the Treasury threshold for written price quotations.

The procedure for the evaluation of responsive tenders is **price** and **preference** method. The evaluation of the bids will be conducted in the following two stages:

- Firstly, the submission will be evaluated to confirm if it meets the required scope of work as stated above. A bid will be disqualified if it fails to meet all the requirements for the scope of work.
- Thereafter, only the qualifying bids (meet the scope of work) are evaluated in terms of the 80/20 preference points systems, where the 80 points will be used for price and the 20 points will be awarded to a bidder for attaining the specific goals in accordance with the Table below.

1. Preference

Specific goals for this RFP and number of points are indicated as per table 1 below. Proof of the specific goals below must be attached and submitted with the bid document in order to qualify for the preference points (specific goals).

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.
