B. REQUEST FOR QUOTATION FOR SUPPLY AND DELIVERY OF PROVISION OF CONTRACT MANAGEMENT TRAINING 12 EMPLOYEES.

1. BACKGROUND TO SANSA

The South African National Space Agency (SANSA) has a mandate, as outlined in the South African National Space Agency Act, 2008 (Act No 36 of 2008), to co-ordinate and integrate national space science and technology programmes and conduct long-term planning and implementation of space-related activities in South Africa, for the benefit of the citizens of South Africa

2. SCOPE OF WORK (TERMS OF REFERENCE)

The purpose of the training is to equip personnel with the knowledge and practical skills required to effectively manage, administer, monitor, and control contracts within a public sector environment, while ensuring compliance with applicable legislation, policies, governance requirements, and best practice principles.

The Contract Management Training must, as a minimum, cover the following areas:

- Explain the legislative and regulatory environment governing contract management in the South African public sector.
- Explain the roles and responsibilities of key role-players in contract management.
- Explain key contract management terminology and the purpose and role of contract documents.
- Perform contract administration activities throughout the contract lifecycle.
- Apply appropriate records and contract document management practices.
- Manage supplier and stakeholder relationships effectively.
- Monitor supplier performance against contractual obligations, deliverables, service levels, and performance indicators.
- Identify key issues and techniques to consider when developing and entering into large procurement contracts.
- Explain key considerations when developing, implementing, and managing Service Level Agreements (SLAs).
- Identify contractual risks, including hidden risks, throughout the contract lifecycle.
- Identify and assess the total cost of ownership associated with contracts.
- Explain the contract award process and associated governance requirements.
- Provide an overview of contract law, including:
 - The basic elements of a contract;
 - Essential requirements for a valid contract in the South African legal environment; and
 - Key legal considerations applicable to public-sector contracts.

- Explain the management of contract breaches and non-performance.
- Guide contract review, transfer, variation, and termination.
- Explain available options and considerations relating to contractual disputes and litigation.
- Apply practical approaches to contract Negotiations, administration, control, planning, and monitoring.
- Identify, analyse, assess, and manage contractual risks throughout the contract lifecycle.
- Provide practical case studies and examples relevant to the public sector procurement environment.
- Give an overview of different types of Contracts commonly used in South African GCC, JBCC, NEC, and FIDIC contracts.

The service provider must conduct pre- and post-training assessments to determine the skills gap and the training impact.

The facilitator(s)/trainer (s) must be South African by naturalisation. The Facilitator(s)/Trainer's ID copy, CV/profile, qualifications, course overview, and manual must be attached to the standard bidding documents.

The attendees must receive certificates of attendance/competence.

3. DELIVERABLES

The appointed service provider will be required to provide the following:

- Provide a suitably qualified and experienced facilitator/trainer.
- Provide electronic training materials to all delegates.
- Provide practical examples, exercises, and/or case studies relevant to the South African public-sector environment.
- Provide attendance registers and/or evidence of participation.
- Issue a Certificate of Completion to delegates who complete the training.
- Provide the training in accordance with the agreed training programme and schedule.

4. TRAINING OUTCOME

Upon completion of the training, delegates should have an improved understanding of the contract management lifecycle, contract administration, supplier performance management, contract risk management, and contract law, enabling them to perform

their responsibilities effectively and in accordance with applicable public sector requirements.

5. SERVICE PROVIDER REQUIREMENTS

The service provider must demonstrate the following:

- Demonstrable experience in providing Contract Management training.
- Facilitators must possess relevant qualifications, expertise, and practical experience in contract management.
- Demonstrable experience in delivering training to public sector institutions or similar organisations.

6. DURATION

- Conduct the training online (minimum 2 days and maximum 5 days).
- Training schedule to be agreed upon with the appointed provider

C. EVALUATION CRITERIA

SANSA promotes the concept of "best value" in the award of contracts, as opposed to merely looking for the lowest price, which does not necessarily provide the best value. Best value incorporates the expertise, experience and technical proposal of the organisation and individuals who will be providing the service and the organisational capacity supporting the project team.

SANSA is committed to achieving Government's transformation objectives in terms of the Preferential Procurement Policy Framework Act.

The value of this bid is estimated not to exceed R1 million (all applicable taxes included), and therefore the **80/20** system shall be applicable.

Please note: the above amount (R1 million) is not the budgeted amount for this project, but it is the Treasury threshold for written price quotations.

The procedure for the evaluation of responsive tenders is the **price** and **preference** method. The evaluation of the bids will be conducted in the following two stages:

- Firstly, the submission will be evaluated to confirm if it meets the required scope of work as stated above. A bid will be disqualified if it fails to meet all the requirements for the scope of work.
- Thereafter, only the qualifying bids (meeting the scope of work) are evaluated in terms of the 80/20 preference points systems, where the 80 points will be used for price, and the 20 points will be awarded to a bidder for attaining the specific goals in accordance with the Table below.

1. Preference

Specific goals for this RFP and number of points are indicated as per Table 1 below. Proof of the specific goals below must be attached and submitted with the bid document in order to qualify for the preference points (specific goals).

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.

Table 1: Specific Goals and points
